INDORE - The Cleanest & Most Promising City of India

Indore, the largest city of the state of Madhya Pradesh, is the heart and the first city to get its hat-trick for "No-1 Cleanest city of the India" award. The past and present of this city are woven with a great grandeur and the city depicts a different kind of confluences of architecture, structures and natural resources. The Holkars took control of Indore state in the 1720s when Shri Malhar Rao Holkar established the dynasty rule over Indore. Since then Indore witnessed great leadership with Holkar dynasty. Indore is the only city in India to house both, Indian Institute of Technology and Indian Institute of Management.

Indore has also been crowned as the 'Street Food capital' of the country. The delicacies of local snacks as well as sweets of Indore are famous all over the country. You can find a food Stall at every nook and corner. Indore is the commercial capital of Central India with Large, Medium and Small scale industries. These industries range from Automobiles to Pharmaceutical and from Petroleum Refineries to Textile.

MHOW is located near Indore. It is amongst the major Military Headquarters of India to control important aspects of Training and Controls of Indian Army. India's most important Atomic Research Centre, Raja Ramanna Centre for Advanced Technology (RRCAT) is a unit of Department of Atomic Energy, Government of India, engaged in Research & Development in non-nuclear front line research areas of Lasers, Particle Accelerators & related technologies, is situated in Indore. Indore is privileged as Loksabha Speaker Smt. Sumitra Mahajan hailed from Indore.

Key Attractions:

- One of the first 20 cities taken up to develop as Smart City.
- Financial Capital of Madhya Pradesh.
- Major Indian Companies such as Infosys and TCS have their Campuses near Super Corridor.
- Home to Madhya Pradesh Stock Exchange.
- Biggest wholesale Medicine Market of Central India.
- Indore has been a birthplace of many Silver Screen and Sports Stars: The Nightangle of Bollywood Legendry Lata Mangeshkar, Saleem Khan of "Sholay" fame, Great Comedian Johny Walker, Cricketer Mushtaque Ali, Rahul Dravid- The Wall etc.
- A matter of proud to Indorians as Indore is the birthplace of the designer of National Emblem of India, Shri Deenanath Bhargava.

From the Desk of CHAIRMAN

Shri Vaishnav Group of Trusts

Education is the most powerful tool to bring enviable changes in one's personality and bring positive changes in the society. It is the only medium which enables to move from darkness to brightness.

Empowerment of students for their all round development through education is our cherished motto. Today education means much more than merely acquiring knowledge. It is also acquirement of knowledge and skills, building character and improving employability of our young talent, the future leadership.

I strongly believe that, there cannot be other way to drive and improve our nation's prosperity and socio-economic well-being than through its education system. I also believe that, technocrats are the core to continued economic and technological advancement of our country.

I would take this opportunity to urge you all to focus on all round development. You should always have your education laced with morality and ethics. This task has to be taken over by the academicians to provide value and ethic based education. You should all remember that, "honesty is the first chapter in the book of wisdom" and we should inculcate honesty and integrity in all what we do".

I earnestly hope and trust that, my esteemed academicians and budding technocrats will work with sincerity, honesty and dedication and thereby contribute to make this world a better place to live in.

I wish all the students a happy and meaningful learning at SVIM.

Purushottamdas Pasari

From the Desk of CHAIRMAN

"Education is for improving the lives of others and for leaving your community and world better than you found it." Marian Wright Edelman.

Education forms the foundation of any society. The thread of the growth of society depends upon the quality of education that is being imparted which is vital for the personal, economic, social, and political growth and development of society. As a service to the Society, with legacy of 134 years, Shri Vaishnav Group (SVG) is working relentlessly for the upliftment of the society by providing better education. Inheriting the motto of SVG, Shri Vaishnav Institute of Management has 32 years legacy of quality professional & technical education in Madhya Pradesh. Blessed with vision and an untrammeled thirst to nurture the society, Shri Vaishnav Institute of Management plays an important role in moulding a nation's future by facilitating all round development of its future citizens.

We believe in the ideology to infuse good values and morals in an individual's consciousness as it is the perfect stage to mould a person into a complete leader with all the human emotions, values and heritage. Through Education we can create a new world and learn how to sustain it for future generations. It should no longer be viewed and treated as a privilege, but rather considered a right and necessity for the individuals of society.

I feel proud to acknowledge the contribution of highly qualified, dynamic and multi-talented faculty, non teaching staff and my students for this. The college has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. They not only inculcate social and moral values, compassion for nature, pride for Indian culture and tradition and awareness for one's rights and duties but also make students good human beings and confident leaders.

I wish everyone success to achieve their aim and urge them to contribute for society and nation.

Devendra Kumar Muchhal

From the Desk of SECRETARY

"The aim of education is the knowledge, not of facts, but of values." William S. Burroughs

Moral values are the set of principles that guide a person to hold high-opinions and follow the path of righteousness. It is worth significant in building up the character and personality of an individual. Students are the future of India therefore during the process of learning it is important that the student has a strong base of moral values so Shri Vaishnav Institute of Management put extra efforts to inculcate values as we consider it is the most important duty of the educators.

With the best infrastructure, techno-savvy ambience, latest gadgets to equip one to stride with competitive fervor, ever increasing new job oriented courses, career-counseling and highly enthused qualified teachers along with values, we earnestly endeavor to help students in realizing their dreams and mould them into self confident and pragmatic to face various challenges with courage, conviction and achieve success.

The commitment of institute towards quality education and processes is reflected with the accreditation 'A' grade by UGC -NAAC (The National Assessment & Accreditation Council) in consecutive two cycles. I am duty-bound to thank the Management, Faculty, Staff and the Students for this achievement.

Best wishes and blessings for an enriching and fruitful academic year! I wish all the best in the process of seeking to become a part of SVIM family. I am confident enough that the students will make themselves stronger and better day by day, adding a new leaf to the grandeur of the institute.

Girdhargopal Nagar

From the Desk of DIRECTOR

"Ensuring quality in higher education is one of the most important things we can do for future generations." Ron Lewis

I, on behalf of Shri Vaishnav Institute of Management family welcome all the students aspiring to excel in multidimensional sphere of success. In this era of inescapable competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Therefore, our excellence is not just confined to the classroom; we are also notably active in conducting conferences, workshops, seminars, guest lectures and other co-curricular activities. These activities expose students to aspects beyond the curriculum, thus adding high value to their professional success. Also they would develop into a versatile personality while nurturing for future endeavours.

Our special emphasis is on Outcome Based Education (OBE) and Experiential Learning. We are constantly reviewing set up to update and improve while making sure that students gain thinking skills, analytical frameworks, entrepreneurial skills, interpersonal and communication skills.

Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. I earnestly believe that the rich values and traditions imbibed here would carry them to greater heights.

I am sure the students will always strive to uphold the dignity of the institute and keep its flag ever flying high.

Prof. (Dr.) George Thomas

SHRI VAISHNAV GROUP

1884 is a landmark year as the foundation stone was laid 135 years ago for Shri Vaishnav Group of Institutions by compassionate cloth merchants of Vaishnav cult of Indore, which was later reconstituted as Shri Vaishnav Sahayak Kapada Market Committee in the year 1934.

Under the able guidance of Shri Vaishnav Sahayak Kapada Market Committee, Shri Vaishnav Shaikshanik Avam Parmarthik Nyas was established in the year 1981. The Nyas believes in taking the nation forward by improving the quality of life of its citizens by continuously working in the sphere of education, health and environment. It has been established to promote education and research in various disciplines through academic Institutions for the benefit of all sections of the society, but not with the motive of profit. Hence, Nyas has been working relentlessly for the upliftment of the society and country as a whole by providing better technical and professional education, health facilities, school education and other services.

Life @SVIM

"When students improve their attendance rates, they improve their academic prospects and opportunities for bright future."

The institute is committed to impart quality education with the vision of empowering the budding professionals with technical and entrepreneurial skills enabling them to contribute to the socio-economic augmentation of the nation. Also, SVIM has a student friendly campus with absolute discipline and safety, an excellent infrastructure, effective teaching learning process, highly equipped labs with practical exposure, well equipped language laboratory, expert guest lectures, industrial training tours, seminar, and workshop for right aptitude development of students. Digital library, e-learning materials, dynamic training and placement cell, competitive examination guidance center, research centers, skill development courses, spacious auditorium, hygienic canteen and separate hostels for boys and girls. We assess the students' strength and weakness in academics and aptitude and address their needs through various bridge courses, certification courses, modules on personality development.

Expert Lectures

The modern education system has made guest lectures an important part of their learning strategies. In order to offer our students latest insights into the emerging technologies and advancements, every year, many expert lectures are conducted in SVIM. Eminent personalities from academic world and reputed organizations visit the institute to share their knowledge and experience. Their rich experiences and wealth of knowledge provide abundant insights and provide a platform for students to clear their doubts. It is a great way for the students to get maximum exposure about their real life experiences and not what is there in the textbooks and help our students gain strong foothold in their respective discipline.

Workshops/Seminars

The institute organizes workshops, career guidance programs, management and technical fests, seminars and entrepreneurship development program for the students to make them adaptable with the latest technologies. Workshops and seminars break the cold shield between the practical and theoretical approaches and make the students more familiar with the work environment to handle technological advancement. Seminars are very essential part of educational life where the experts share the industry knowledge. Activities such as traffic awareness week, female health awareness webinar, blood donation, health awareness camps, organ donation awareness camps, cancer awareness seminar, and sustainable development and so on are organized for the students to learn, explore and innovate. SVIM is focused to provide the best facilities and opportunities for the technical students so that they can create a new era of inventions.

Industrial Visits/ Educational Tours

In sincere efforts towards academic excellence and growth, institute has initiated industrial visits and educational tours to discover broader perspectives and personal awareness for students by providing self-confidence, self-esteem. It also gives greater clarity about various management concepts for students as they can practically see how these concepts are put into action. The visits are being organized locally and outside the city to relevant manufacturing services and IT organizations so that students attain a firsthand experience of the Professional World. Various cultural events are coordinated and organized by students themselves under close supervision of the faculty members.

Extracurricular Activities

Institute has a broad educational mission of developing the 'whole student' achieved through emphasizing on extracurricular activities to raise the well-rounded individual. Students are getting exposure to things and activities beyond curriculum. These activities allow students to pursue their interests to identify dimensions for shaping career. However, extracurricular activities help students in developing communication skills, team-spirit, ability to work with others, public speaking, better social skills and critical thinking. This also enhances the student's intellectual, spiritual, social, physical and moral capabilities while increasing their self-confidence. This 'whole student' approach will prepare students for the challenges and opportunities of today and tomorrow.

(PEP MODEL)

The world of work is changing. According to the World Economic Forum, 65% of children entering primary school today will be employed in jobs that do not yet exist. Therefore, Career readiness competencies are required to be nurtured in the students. Shri Vaishnav Institute of Management, thus, implemented a PEP Model (Personality Enhancement Program) for the students to make them ready directly from Classroom to Corporate.

It enables students to understand how well they are prepared to meet the global needs. More than good grades and high test scores, students who develop these skills are better positioned for success in the workplace. In the PEP Framework we identify three pillars for the holistic development of the students or to develop a Whole Student. They are: Project Based Training, Value Based Training and Personality Development Training, that will illuminate three dimensions of their Professional image.

In today's scenario, it is vital to inculcate values in the youngsters, therefore various awareness programs including spiritual seminars, expert lectures, knowledge sharing sessions etc. are organised for multidimensional progress of students.

LIVE PROJECTS

A live project is a utilization of theory in to practicality or words to work. It's an excellent prospect to nurture students' academic, interpersonal, critical, oral communication, understanding, managerial skills and knowledge in real time environment. Live projects set specific juncture where skills can be transformed to performance and learning can develop

on detailed procedures of particular industry. It imparts students with a feel of excitement and confidence. It is a shorter version of internship which builds up the practical knowledge of the students. In the institute the students are encouraged to work on live projects and also contribute in various extension activities for the advantage of the society and environment.

PERSONALITY ENHANCEMENT PROGRAM:

(PEP MODEL)

The world of work is changing. According to the World Economic Forum, 65% of children entering primary school today will be employed in jobs that do not yet exist. Therefore, Career readiness competencies are required to be nurtured in the students. Shri Vaishnav Institute of Management, thus, implemented a PEP Model (Personality Enhancement Program) for the students to make them ready directly from Classroom to Corporate.

UNIVERSITY TOPPER - 2019

SVIM is an Institute that foresees the prospects, imparts quality knowledge and provides opportunity to stand out of the crowd. I am fortunate to be a part of SVIM family.

CONFLUENCE

ALUMNI SPEAK

Dr. Shraddha Dandel Masih
Associate Professor
School of Computer Science & IT, DAVV, Indore

A student can never forget his/ her alma mater especially when it is an institute like Shri Vaishnav Institute of Management. Being away from home, I never felt alone because the teachers, staff and classmates were so cooperative and caring. SVIM helped me to carve my life and fulfil my dream of being an educationist. Great campus infrastructure, full-fledged laboratories, quality teaching, good cafeteria and many other facilities were provided by the institute. SVIM not only provided excellent academic facilities but a platform to express, practice and showcase talent and in short to "come out of shell". Even after years of my post- graduation, I have an undying affection for the institute. I also appreciate the alumni relations maintained by the institute. I suggest students to brainstorm amongst themselves and with their faculties continuously to proceed in the direction of achieving dreams. Indeed all alumni are there to help them out whenever required. Best wishes always and thanks to my Alma mater SVIM .

MCM (1998-2000 Batch)

Mr. Subhash Singh
Deputy Superintendent of Police, Indore

I have good experience with Shri Vaishnav Institute of Management (SVIM) Indore. The college has a wonderful faculty team and they are very cooperative, gave us all possible support in terms of academics, industrial Exposure & skills development with these benchmark we can definitely achieve our extreme goal in life. It was a great time, spent in SVIM. The relation between faculty and student is very cordial, which gave me an opportunity to excel further. Apart from academic, department offers various opportunities to enjoy our college days which was attracting us towards college many of the time. SVIM provides an exceptional place as a private and close-knit environment for quality education. The infrastructure is sufficient enough to accommodate essential facilities like different labs, workshops, auditorium, and others arrangements. The college has sufficiently developed campus located in the heart of the city which makes it reachable and accessible. The faculties are very helpful and knowledgeable making the teaching quality refined. I could not have asked for a better experience than what I have at SVIM and I am so grateful for the professors, staff, and the management.

MBA (1997-1999 Batch)

ALUMNI SPEAK

Mr. Prashant Mahant
President, Taekwondo Development Association, Indore

The name and the fame of this Institute is not sheer luck but the result of clear focus, vision and determination. Each member of the Shri Vaishnav Institute of Management has worked diligently and the priority has been given to nurture, educate remarkable professionals. This has been achieved through capacity building in technical and soft skill, in order to make them capable of competing with peers in the corporate world. Since last 25 years this Institute is producing excellent students. This journey to excellence would continue with faster pace in approaching years with quality education in the field of management.

MBA (1993-1995 Batch)

Mr. Vishal Trivedi
CLU, CHS Insurance Advisor, UK

It is my pleasure to the part of Shri Vaishnav Institute of Management. My College days are unforgettable and in fact those days are the most happiest & fruitful days in my life. I proudly feel that I cherished every moments of my college. Being a "SVIMian" make me feel proud. My experience in SVIM was just amazing. I got infinite love & lessons from my teachers, there teachers made me do "Work Hard" for the way to success. Miss those days of SVIM. Just want to thank to the wonderful faculty of SVIM. This institute is very close to my heart.

BBM (1994-1997 Batch)

Mr. Tarun Tiwari
Sr. Correspondent, Free Press, Indore

I am the alumnus of Shri Vaishnav Institute of Management, passed out in 2009. I did my Bachelor of Computer Applications from the institute. Apart from academics, I learnt crucial lessons of life in SVIM which gave a new path to my career and wings me to fly. I learnt how to handle the challenges of real life in SVIM.

Co-curricular activities and industry exposure had given me the knowledge of what industries are looking for and how I can prove my mettle. I am thankful to SVIM for nurturing my personal as well as professional life.

BCA (2006-2009 Batch)
