

SHRI VAISHNAV INSTITUTE OF MANAGEMENT & SCIENCE, INDORE

(Autonomous)

Approved by AICTE, New Delhi and Affiliated to DAVV, Indore & RGPV, Bhopal, Madhya Pradesh, India
UGC-NAAC Accredited 'A' Grade Institute

Welcome to SVIMAA Connect! 🎓 ✨

Dear Alumni,

We are thrilled to bring our vibrant alumni network closer to you than ever before! With the **SVIMAA Connect** mobile app now released, you have immediate access to everything our community has to offer right at your fingertips:

- **Reconnect & Network:** Seamlessly discover, search, batchmates, seniors, and juniors across diverse industries.
- **Stay Updated:** Get firsthand news on upcoming alumni meets, college and exclusive events.
- **Career & Mentorship Opportunities:** Share job openings, explore industry referrals, or offer guidance to graduating students.

Your journey with the institute didn't end at graduation—it's just evolving. Explore the features, update your profile, and start networking today!

Welcome back home,

Shri Vaishnav Institute of Management Alumni Association (SVIMAA)

SVIMAA Connect - Android App Installation Guide

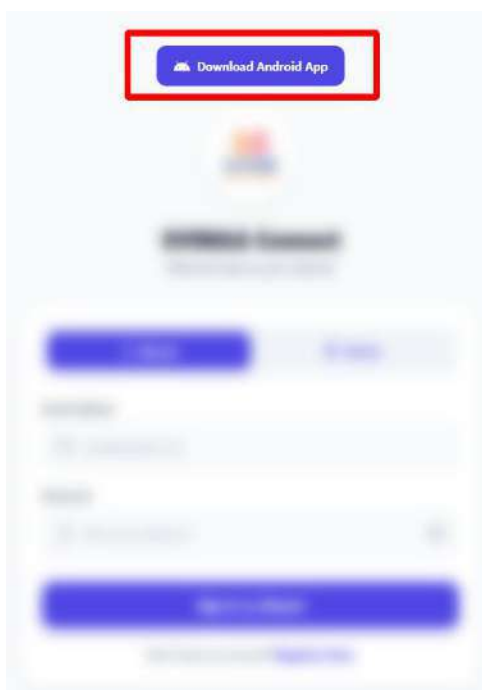

Step 1: Download the App from the Portal

- **Desktop Users:** On the login portal, look at the blue panel on the left side. Click the "**Download Android App**" button at the bottom (refer to image below).

Relocate the apk downloaded from desktop to your mobile and click to start the installation.

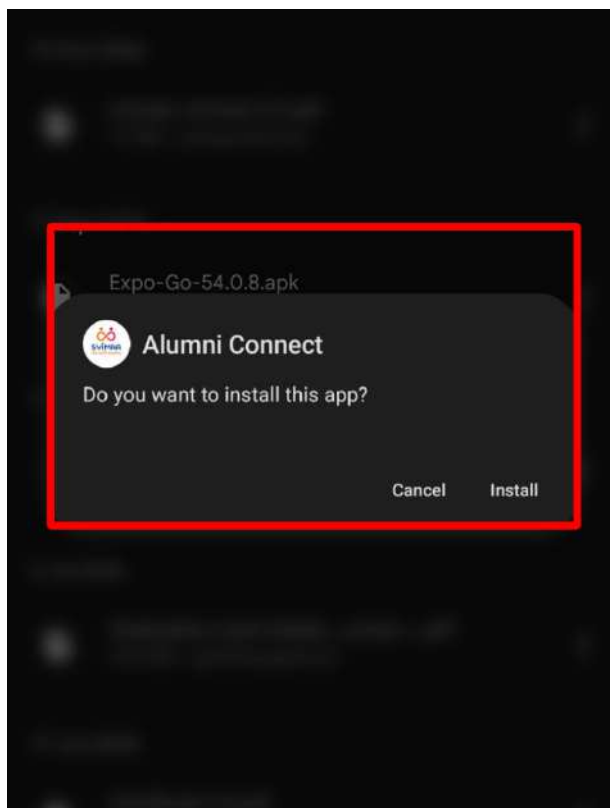

- **Mobile Users:** On the mobile web login page, the blue "**Download Android App**" button is located prominently at the very top of your screen. Tap it to download the APK file. (Refer to image below)

Step 2: Initiate the Installation

- After the download completes, tap the downloaded .apk file (usually found in your notifications or the "Downloads" folder).
- A system dialog box will appear asking, *"Do you want to install this app?"*
- Tap **Install** in the bottom right corner of the dialog box. (as Shown in Image Below)

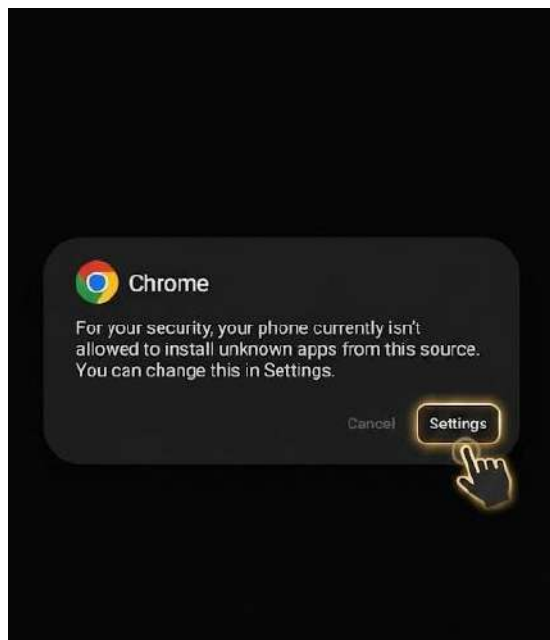

Step3: Allow Installation from Unknown Sources (If Prompted)

If your browser or file manager does not already have permission to install standalone APKs, Android will display a security prompt:

"For your security, your phone currently isn't allowed to install unknown apps from this source."

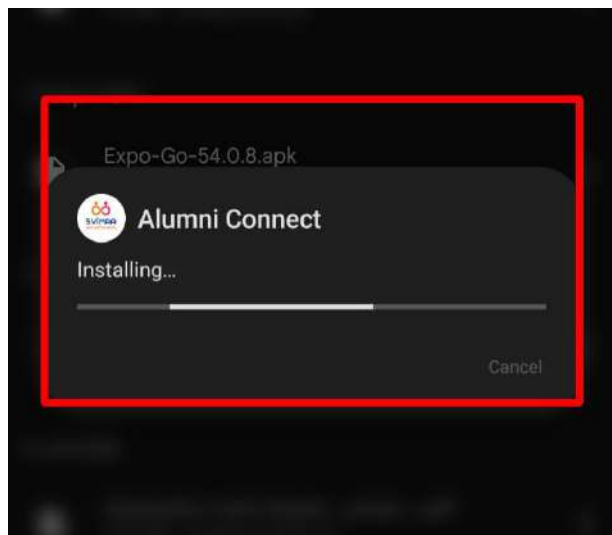

1. Tap Settings in the bottom-right corner of the dialog.
2. Toggle the switch next to Allow from this source to the ON position. (Refer to Image 3)
3. Tap the Back button to return to the installation screen.

Security Note: The SVIMAA Connect is our institute's official alumni application. It is completely safe, verified, and protects your personal data.

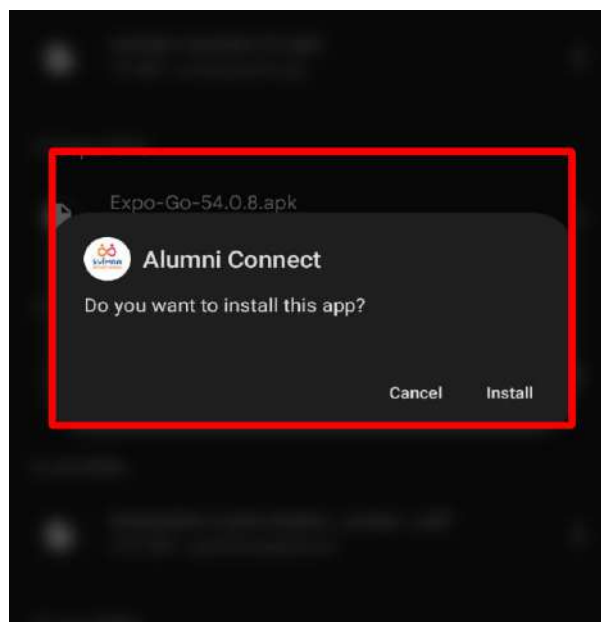

Step 4: Wait for the Process to Complete

- An "Installing..." progress bar will appear on your screen (refer to Image below). Please wait a few seconds for the system to process the application.

Step 5: Launch the Installed App

- Once the progress bar finishes, you will receive a success message stating "**App installed.**"
- Tap **Open** in the bottom right corner of the prompt to launch SVIMAA Connect immediately (refer to Image Below).

Step 6: Accessing the App in the Future

- You can now launch the application at any time directly from your device's home screen or app drawer.
- Look for the white circular icon with the SVIMAA infinity logo, labeled **Alumni Connect** (refer to Image Below).
