Shri Vaishnav Institute of Management (SVIM) Indore, Madhya Pradesh

Towards enlightenment.....

Shri Vaishnav Institute of Management organized one day expert lecture on "Hanumanji and Life Management" under "Prabodh" lecture series with objective to inculcate moral, spiritual and social values among the students along with textual learning so that they can become a better human being and contribute to make a good society and country at large. Pt. Vijay Shankar Mehta, Management Guru and Motivational Speaker graced the lecture with his mighty presence. Dr. George Thomas, Director of the institute welcomed the guest and quoted Swami Vivekanand's words on education that "Education should be such by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet".

Towards enlightenment.....

Pt. Vijay Shankar ji Mehta enlightened the students with different life skills. To make students learn to manage their life beautifully and meaningfully, he referred Hanumanji's great deeds mentioned in detail in the Sundarkanda, the fifth book of the Ramayana epic. Pt. Mehta shared that Lord Hanuman is embodiment of supreme strength, high intellect, unflinching loyalty, devotion, simplicity and purity in all forms. He, further added that Hanumanji is the perfect personification of valor, character, devotion and virtue. His life, deeds and character are high benchmarks for us to follow. Indeed, there are many great lessons we can learn from the Mighty one to gain success, happiness and satisfaction; seven of them were discussed viz. contribute whole heartedly without any expectation; always express your gratitude for those who ever supported you in your journey of success; be ready to take risk to enjoy success; do proper home work or preparation before taking any action; stick to your words and create winning combination as we find in works of Hanuman ji.

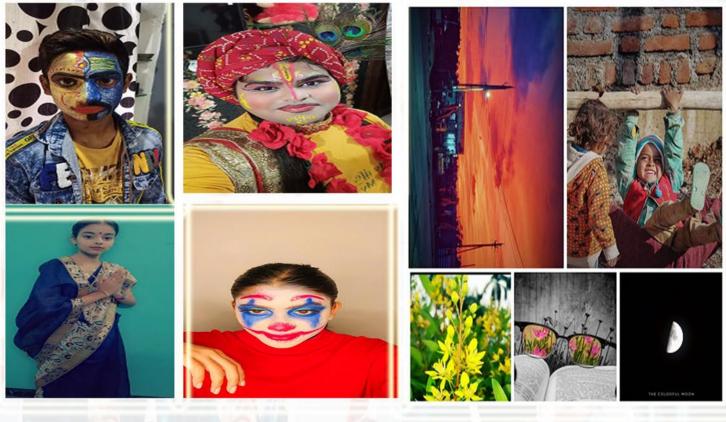

Students were highly delighted as the session was full of humour, energy and learnings. The session was anchored by Dr. Deepa Joshi. Shri Girdhargopalji Nagar, Secretary of the institute proposed vote of thanks. The lecture was well organized by Dr. Deepa Joshi, Dr. Namrata Soni, Ms.Swati Gupta, Mr. Ram Bhavesh Sharan and Mr. Arpit Tiwari.

Maths Gym

Online Mathematical Quiz

Mathematics plays a vital role in all aspects of life, whether in everyday matters such as time tracking, driving, cooking or jobs such as accounting, finance, banking, engineering, and software. Mathematics is an innate approach to research and analysis to reach a solution to mathematical problems. Mathematics helps in analytical thinking. While solving math problems, data are collected, disassembled and then interconnected to solve them. Mathematics helps to develop the ability to think and it is important in a constantly evolving world. To improve mathematical knowledge skills of the students an online Quiz "MathsGym" was organized by Department of Computer Science on June 5, 2021 for all B.Sc. and BCA students.

The entire program was organized on virtual mode using Google Form. The Quiz consisted of 30 mathematics related questions covering calculus, differentiation and integration, number theory, matrix and vector calculus. 161 students participated in this quiz. All participants and the students who secured 100% marks in the competition were given e-certificate on their registered E-mail Id.

This Quiz helped students to identify what they know and what they don't and motivated them to study more and allocate their study time effectively by focusing on the information that still needs more practice. The Quiz was well executed by Dr. Jayesh Tiwari, Dr. Jagdish Sharma, Dr. Bharti Agrawal, Ms. Yogita Sharma, Dr. Arti Sevalkar and Ms. Leena Soni.
