कला विमर्श

The institute organized Kala Vimarsh series on April 7, 2025. The institute had the proud privilege of hosting an expert lecture under the prestigious Kala Vimarsh series, graced by the presence of Padma Vibhushan Dr. Sonal Mansingh, one of India's most celebrated classical dancers and cultural icons. With her vast experience and profound wisdom, Dr. Mansingh delivered an inspiring talk on the topic "Role and Importance of Arts in Bhartiya Education." Her lecture eloquently emphasized how Indian art forms—dance, music, theatre, and visual arts—have always been integral to the holistic development of individuals in the traditional Indian education system. She elaborated on the deep interconnection between arts and values, highlighting how ancient gurukuls nurtured not only intellect but also emotional, spiritual, and cultural consciousness through the arts. She passionately spoke about the need to reconnect with our cultural roots in an increasingly mechanized and globalized world. Her insights beautifully bridged the gap between tradition and modernity, resonating deeply with the academic community. Her session left the audience spellbound and enlightened, especially students and faculty members, as she shared real-life experiences, anecdotes from her artistic journey, and the vision of 'Sanskriti se Shiksha' (Education through Culture). The event proved to be a powerful reminder of the transformative power of the arts in shaping not just skilled professionals but sensitive, rooted, and aware citizens of tomorrow.

prabandhotdar श्रृंग

On June 15, 2025, Shri Vaishnav Institute of Management & Science witnessed an unforgettable musical evening with a spectacular live concert featuring Ankush Bhardwaj, the immensely talented and much-loved finalist from Indian Idol, accompanied by the melodious Ms. Subhechha Mohanty. The event drew an overwhelming crowd of more than 4,000 enthusiastic attendees, including Class 12 students, graduates, faculty members, alumni, and members of the SVIMS community. Held in the heart of the campus, the concert served as a vibrant celebration of music, joy, and cultural unity. Ankush Bhardwaj's powerful and soul-stirring performance, blending popular Bollywood hits and evergreen classics, kept the audience enthralled throughout the evening. His magnetic stage presence and ability to connect with the crowd created an electric atmosphere filled with excitement, rhythm, and emotion. Ms. Subhechha Mohanty's graceful voice added further charm to the concert, creating moments of pure musical magic. The concert was not just an entertainment event but a well-deserved break for students from their rigorous academic routines, offering them a chance to unwind and recharge. Beyond entertainment, the event underscored the institute's commitment to holistic education, balancing academic excellence with cultural enrichment. The success of the event reflected the dynamic spirit of the SVIMS community and its dedication to nurturing talent, joy, and togetherness among students. The evening left behind cherished memories, echoing the institute's vision of providing a comprehensive and vibrant learning environment that goes beyond classrooms.

National Conference

on

Exploring the Frontiers of Biological and Chemical Sciences : A Sustainable Pathway to the Future

Shri Vaishnav Institute of Management & Science, Indore, under the aegis of its Department of Computer and Biosciences in collaboration with the Internal Quality Assurance Cell (IQAC), successfully organized a two-day National Conference on “Exploring the Frontiers of Biological and Chemical Sciences: A Sustainable Pathway to the Future” on June 5–6, 2025. The conference brought together over 200 participants including distinguished scientists, academicians, researchers, and students from across India to promote sustainable scientific innovation and interdisciplinary research in the fields of biology and chemistry. The academic gathering commenced with a pre-conference workshop featuring eminent experts: Dr. Arvind Kumar Konda, Scientist (Biotechnology), Indian Institute of Pulses Research, Kanpur; Mr. Satish Kumar, expert trainer in genome editing and peptide identification; Dr. Usha Mullik Ukande, President, Society of Midwives India, Indore; and Mr. Ajay Mahajan, Director and Quality Manager, Ram2 Laboratories Pvt. Ltd., Indore, each of whom delivered enriching sessions on advanced biotechnological tools, healthcare innovations, and green chemistry. The workshop was followed by a competitive poster presentation evaluated by Dr. Ukande and Mr. Mahajan, which displayed diverse research insights from both student and faculty participants. On June 6, the conference was formally inaugurated in the esteemed presence of Chief Guest Dr. Giriraj Kumawat, Senior Scientist (Biotechnology), Indian Institute of Soybean Research, Indore; Guest of Honour Dr. Dharmendra Kumar Vani, Professor and Head, Krishi Vigyan Kendra, Khandwa; and Keynote Speaker Ms. Prasiddhi Singh, 12-year-old Founder of the Prasiddhi Forest Foundation, Tamil Nadu, whose powerful address inspired attendees toward environmental responsibility and youth-led biodiversity initiatives. The occasion was further graced by the presence of Hon’ble Chairman of Shri Vaishnav Group of Trusts and Chancellor of Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore, Shri Purshottamdas Ji Pasari; Hon’ble Vice Chancellor Dr. Upinder Dhar; Chairman of Shri Vaishnav Institute of Management & Science, Indore, Shri Devendra Kumar Ji Mucchal; Secretary Shri Vishnuji Pasari; and Director of the Institute and Chairperson of the Conference, Dr. George Thomas, all of whom added immense value to the event with their vision and support. The inaugural session was followed by three parallel technical sessions featuring more than 20 high-quality paper presentations from across states like Madhya Pradesh, Uttar Pradesh, Delhi, Maharashtra, Bihar, Rajasthan, and Gujarat. The sessions were chaired by respected academicians: Dr. Mamta Shrivastava, Principal, Mata Gujri College of Professional Studies, Indore (Session I); Dr. Dipak Sharma, Head, Department of Chemical Sciences, Maharaja Ranjit Singh College of Professional Sciences, Indore (Session II); and Dr. K. N. Guruprasad, Director, Shri Vaishnav Institute of Science, SVVV, Indore (Session III), with able coordination by Dr. Sonika Kag, Ms. Vranda Jajoo, Dr. Poonam Nagar, and Dr. Kratika Neema. The research spanned vital themes including gene editing, green solvents, microbial biotechnology, natural antimicrobials, nano-biofertilizers, and sustainable agricultural practices. The conference concluded with a thought-provoking valedictory session in the esteemed presence of Dr. K. N. Guruprasad and Dr. Mamta Shrivastava, both of whom applauded the originality and impact of the research presented and highlighted the importance of interdisciplinary collaboration for future scientific growth. Director Dr. George Thomas announced the Best Paper and Poster Awards, acknowledging the talent and dedication of participants, and emphasized the importance of academic forums that empower young researchers to drive transformative change. A detailed conference summary was presented by Dr. Kshama Paithankar, encapsulating the success and learning outcomes of the event, followed by a Vote of Thanks by Dr. Kriti Joshi, who expressed deep gratitude to all dignitaries, participants, experts, and volunteers. The entire conference was seamlessly coordinated under the leadership of Convenors Dr. Kriti Joshi and Dr. Deepika Choudhri, with valuable contributions from Organizing Committee members Dr. Jayesh Tiwari, Dr. Jitendra Jain, Dr. Ekta Agrawal, and Dr. Sakshi Yadav. From expert lectures and paper presentations to technical workshops and youth inspiration, the two-day event was a holistic academic experience that not only fostered meaningful dialogue and collaboration but also reinforced the institute’s commitment to promoting sustainability-focused scientific inquiry and academic excellence.

NATIONAL CONFERENCE

on

Indian Knowledge System: Information Technology and Computational Science in Global Scenario

The National Conference on 'Indian Knowledge System: Information Technology and Computational Science in Global Scenario' organized on April 13–14, 2025 at the Institute. The two-day event brought together eminent scholars, faculty, researchers, and students to explore the confluence of Indian Knowledge Systems (IKS) with modern technology and computational sciences. The objective was to provide a multidisciplinary platform for knowledge sharing, research, and discussions on how traditional Indian wisdom can enrich global scientific and technological practices. The conference began with the institute's 'kulgeet', Saraswati Poojan, and an introductory address by Dr. George Thomas, Director of SVIMS. Chief

Guest Dr. Mohit Sharma, UGC-certified IKS trainer, in his keynote, highlighted the vast heritage of IKS, its 200-plus disciplines, UNESCO's recognition, and the relevance of Vedic, Puranic, and philosophical literature in sustainable development. He emphasized the role of teachers in preserving traditions and shaping society. In the post-lunch session, Dr. Shekhar Shukla, faculty at IIM, delivered a talk on 'Technology Change Management: Learnings from the Shrimad Bhagavad Gita', linking AI, Blockchain, and Computing with concepts of Swadharma, Swabhava, and Swaroopa. Ms. Meenakshi Jain, noted mathematics scholar, explained the applications

of Vedic mathematics in calculus, trigonometry, and algorithms, while highlighting contributions of Aryabhatta, Brahmagupta, Bhaskara, and Ramanujan. The first day concluded with the national anthem.

The second day featured dignitaries Dr. Virendra Kumar, Director, DTE, Bhopal; Mr. Parmanand Burman, Senior Scientist, CSIR; and Mr. Arvind Tomar, Additional Director, DTE followed by four technical sessions.

The valedictory session, anchored by Ms. Aayesha Siddiqui, had Guest of Honour Mr. Suraj Singh Chouhan, Director & HR Manager, Diaspark Infotech. Dr. Kshama Paithankar summarized the two-day event. Mr.

Suraj Singh Chouhan motivated students to pursue excellence with dedication. Dr. George Thomas announced the Best Paper followed by Best Paper Awards in student and academician categories. The program concluded with a vote of thanks by Dr. Jagdish Sharma and the national anthem.

The conference emphasized integrating IKS into higher education, encouraging research, and translating traditional wisdom into practical solutions for inclusive growth. It created a platform for interdisciplinary dialogue and laid the groundwork for future collaborations, workshops, and publications, reinforcing the vision of blending India's ancient knowledge with modern technological advancements.

The **MEGAJOB FAIR**

June 24, 2025

Niyog Sangam – The Mega Job Fair organized by the Training and Placement Department of the institute on June 24, 2025 in collaboration with JBPL Group Director and Founder of Company Ms. Deepika Pathak Upadhyay emerged as a landmark event, seamlessly bridging the gap between aspiring job seekers and esteemed employers. The grand recruitment drive witnessed the enthusiastic participation of over 600 students hailing from diverse colleges and academic backgrounds. With 26 reputed companies from sectors such as Information Technology, Management, Commerce, Biosciences like Vaayu Aircon, Arome Perfumes, Fentom Chemicals, Bajaj Allianz and many more, the fair provided a dynamic platform for students to explore a spectrum of career opportunities. The day-long event was marked by rigorous interview sessions, with 200 students shortlisted for subsequent rounds and several candidates receiving on-the-spot job offers, reflecting the high calibre of talent present. The smooth and professional execution of the fair was a testament to the dedicated efforts of the Placement Cell, faculty members, and student coordinators, who ensured every detail was meticulously managed. Niyog Sangam not only opened doors to employment but also reinforced SVIMS's commitment to fostering industry-academia linkages and empowering students for the future. The Job Fair was well executed by Mr. Hemant Pathak, Mr. Sourabh Upadhyay, Ms. Pratibha Agrawal, Ms. Vishakha Wadhvani and Ms. Aishwarya Chouhan.

जल-जन आन्दोलन

Water conservation Awareness program “जल-जन आंदोलन” was organized on April 1, 2025 by Vibhavani Committee of Shri Vaishnav Institute of Management & Science for the faculties and staff of different Institutions of Shri Vaishnav Group of Trusts. The event was attended by the faculties and staff of different Institutions of Shri Vaishnav Group of Trusts, Shri Vaishnav College of Commerce, Shri Vaishnav B.Ed. & Law College, Shri Cloth Market Vaishnav Bal Mandir Girls H.S. School, Shri Vaishnav Academy, Shri Cloth Market Vaishnav Higher Secondary School and Shri Vaishnav Girls Highr Secondary School. This initiative aims to bring together the entire community in a collective effort for water conservation, setting the stage for a sustainable future, total 180 members participated. The expert session was led by Mr. Sunil Chaturvedi, a renowned specialist in the field of water conservation. The event commenced with the institution’s anthem and Maa Saraswati Pujan, marking the auspicious beginning of the program. Dr. George Thomas, Director, SVIMS delivered the welcome address. In his speech, he highlighted the innovative initiatives launched by the institution for the benefit of society, such as “Gyan Rath” and “Anubhuti.” He elaborated on the various projects aimed at community development and empowerment. The expert lecture session was conducted by Shri Sunil Chaturvedi, who emphasized the critical importance of water conservation through videos and practical examples. He addressed the faculty and staff members of different institutions of Shri Vaishnav Group of Trusts about rainwater harvesting technology and encouraged them to begin this practice at their homes. He also urged them to motivate their neighbors and students also to connect with this movement. Dr. Kshama Paithankar, Head Department of Computer Science and Coordinator IQAC, Dr. Deepa Katiyal, Head Department of Management (UG), Dr. Mandip Gill, Head Department of Management (PG) and Principals of different Institutions grace the event. Vote of thanks was delivered by Dr. Jagdish Sharma, Vibhavani Coordinator, SVIMS, who thanked the Guests Speakers and all the participants for their support.

Udaan

FAREWELL-2025

The Institute witnessed a heartwarming and grand farewell celebration titled Udaan 2025, organized on May 16–17, 2025, in the Institute auditorium to bid adieu to the graduating undergraduate students of BBA, BCA, B.Sc., and postgraduate students of MBA and MCA. This much-awaited annual event was attended by more than 700 students and was a vibrant expression of gratitude, nostalgia, celebration, and new beginnings. Conceptualized and executed with great dedication by second-year students, the event was a beautiful culmination of the academic journey and personal evolution of the outgoing batch. From the moment the auditorium filled with applause and anticipation, the atmosphere brimmed with emotions—tears of joy, laughter of remembrance, and the pride of achievement. The event unfolded with a rich lineup of cultural programs, including soulful music performances, engaging dance sequences, and lively games that bridged the connection between juniors and seniors, fostering a deep sense of unity and belonging. These activities weren't just for entertainment but carried the symbolic essence of shared moments and enduring friendships. A major highlight of the event was the prestigious title ceremony, where deserving students were honored with accolades such as Mr. and Miss Farewell and Mr. and Miss Radiant. These titles were awarded based on criteria including academic achievements, leadership qualities, charm, stage presence, and overall personality, adding prestige and celebration to the farewell. The selection process was conducted in two rounds, filled with excitement and admiration from the audience. The celebrations reached an inspiring crescendo with the address by the Director of the Institute, Dr. George Thomas, whose thoughtful and motivational speech left a profound impact on everyone present. He congratulated the graduating students and advised them to lead lives grounded in discipline, to prioritize their physical and mental well-being, to be financially responsible by planning for the future through insurance, and most importantly, to welcome failure as a transformative experience that shapes resilience and character. His speech, interwoven with life lessons and heartfelt blessings, resonated deeply with students and faculty alike. Furthermore, the Heads of Departments and Programme Coordinators also shared encouraging words that provided both emotional strength and practical insight to students as they prepare to enter the professional world or pursue higher studies. The farewell concluded on a gracious and warm note with a lunch served to all outgoing students, offering a relaxed space to bond, click photographs, exchange goodbyes, and carry forward lasting memories. The success of Udaan 2025 was a reflection of the exceptional teamwork and creative efforts of the organizing committee, comprising Dr. Namrata Soni, Dr. Kamlesh Malpani, Mr. Rambhaves Sharan, Ms. Swati Gupta, Ms. Gulisha Gupta, Ms. Pankhuri Soni, Ms. Anushree Saxena, Dr. Shailesh Maheshwari, and Mr. Hemant Pathak, who worked tirelessly behind the scenes to ensure each aspect—from planning and rehearsals to décor and coordination—was executed flawlessly. Their dedication transformed the farewell into not just an event, but an experience to be cherished. Udaan 2025 thus stood as a poignant reminder of the bonds nurtured during the academic journey, the accomplishments achieved, and the strength carried forward into the future. It was more than just a send-off—it was a celebration of identity, community, and the readiness to soar into the limitless skies of opportunity, leaving behind not just footsteps, but a legacy of warmth, inspiration, and gratitude within the corridors of the institute.

FINANCIER OF THE YEAR 2025

From April 7 to April 29, 2025, the campus of Shri Vaishnav Institute of Management & Science was energized by a unique blend of financial acumen, strategic problem-solving, and competitive enthusiasm as students immersed themselves in the “Financier of the Year” workshop and competition.

Organized by the Department of Management (PG) and curated by Dr. Uttam Rao Jagtap, Professor, this 21-day intensive program brought together 40 dynamic student teams, creating a platform that seamlessly connected academic foundations with real-world financial decision-making.

The workshop featured expert-led sessions and hands-on simulations designed to strengthen core competencies in financial analysis, investment planning, credit evaluation, risk management, and

fintech innovation. Each day presented new challenges, encouraging students to think critically, respond swiftly, and work collaboratively.

The objective of the event was to provide experiential learning in finance, promote ethical and strategic decision-making, and develop future-ready professionals through practice-based engagement.

The expected outcomes included enhanced understanding of financial tools and markets, development of analytical and presentation skills, deeper insights into risk and investment strategy, and stronger team collaboration under pressure.

The event culminated in a grand finale, where top-performing teams presented their financial strategies and business proposals before an esteemed jury. The final round was judged by Mr. Madan Tiwari,

Regional Business Head, Hinduja Leyland Finance, and Mr. Piyush Sharma, Talent Acquisition & Talent Management Partner, Wonder Home Finance. Their expert feedback and insights brought valuable industry perspective to the participants' learning journey.

The outcomes were reflected in the students' professional presentations, innovative financial thinking, and confident articulation of complex strategies. The competition successfully fostered leadership, critical reasoning, and ethical awareness—hallmarks of capable finance professionals.

By hosting such forward-thinking academic initiatives, SVIMS continues to bridge the gap between education and industry, empowering students to enter the financial world with clarity, competence, and commitment.

Seminar on *Sustainability: A key to Future Living*

The Literary Club Abhyuday of Shri Vaishnav Institute of Management & Science (SVIMS), Indore, proudly hosted a one-day expert session on April 19, 2025, with the overarching theme of promoting sustainability, zero waste practices, and the adoption of solar energy solutions. Organized within the SVIMS Seminar Hall, this engaging and thought-provoking session ran from 10:00 AM to 2:30 PM, drawing the participation of over 130 enthusiastic students and 25+ dedicated faculty members, all united by a common goal—to understand and embrace sustainable living. The session was graced by the presence of two eminent environmental thought leaders: Padma Shri Awardee, Dr. Janak Palta McGilligan, an internationally acclaimed environmentalist and Dr. Sameer Sharma, an eco-entrepreneur and CEO of Swaha Resource Solutions, both based in Indore.

The event commenced with a formal welcome and was followed by a powerful keynote address by Dr. Janak Palta McGilligan, who shared her extensive experience in grassroots environmentalism,

offering real-world, community-driven solutions to sustainability challenges. She emphasized the urgent need for conscious lifestyle changes, resource conservation, and the importance of women and youth in championing environmental causes. Her inspiring address urged students to see sustainability not just as a concept, but as a lived practice. Following her, Dr. Sameer Sharma delivered an insightful and highly informative presentation on zero waste management and renewable energy technologies, particularly solar energy. He introduced practical models of waste segregation, recycling, and composting, and explained how solar solutions can be integrated into everyday life. His session was instrumental in helping participants visualize tangible ways to reduce their carbon footprint and contribute to a cleaner, greener future. The session also featured a vibrant interactive Q&A segment, where participants engaged directly with the experts, seeking guidance on real-life applications of the discussed strategies.

A highlight of the session was the “Sustainability Pledge,” wherein all

attendees committed to adopting environment-friendly habits in their personal and professional domains. Though the session was non-competitive in nature, its outcomes were impactful and far-reaching—participants left with a heightened sense of environmental awareness and a renewed dedication to driving change within their communities.

The organizing efforts were steered by an efficient team of faculty coordinators Dr. Poonam Nagar, Dr. Ekta Gaykwad, and Ms. Nidhi Dubey alongside a group of diligent student volunteers who ensured smooth execution of every aspect of the program. The SVIMS management, faculty, and Literary Club team extend heartfelt gratitude to Dr. Janak Palta McGilligan and Dr. Sameer Sharma for their valuable time and contributions, which made the session an enriching and motivational experience. The success of this initiative marks another milestone in SVIMS’s commitment to promoting sustainability-focused education and cultivating environmentally responsible future leaders.

Quiz Competition on World Environment Day

On the occasion of World Environment Day, celebrated annually on June 5 to raise global awareness and encourage action for the protection of the environment, the Literary Club – Abhyuday of Shri Vaishnav Institute of Management & Science (SVIMS), Indore, in association with the National Digital Library of India (NDLI) Club, organized an intellectually enriching Online Quiz Competition exclusively for faculty members on June 5, 2025 via the Quizze app. This year's global theme, led by the United Nations Environment Programme (UNEP), focused on "Land Restoration, Desertification, and Drought Resilience," urging individuals, communities, and institutions to restore ecosystems and adopt sustainable practices. In alignment with this theme, the quiz was designed to foster ecological awareness through an engaging and knowledge-based format that also promoted cross-disciplinary interaction and camaraderie among faculty. The event was curated by Dr. Poonam Nagar, esteemed faculty member and Quiz Curator, and organized under

the guidance of the Literary Club – Abhyuday, with strong support from the NDLI Club. Faculty members from various departments participated with enthusiasm, enjoying a series of questions that blended environmental science, current affairs, and general knowledge. The interactive quiz format featured real-time scoring and encouraged collaborative engagement, making the session both fun and intellectually stimulating. The competition concluded with the recognition of top-performing teams, and E-certificates of appreciation were awarded to all participants. This meaningful event not only celebrated World Environment Day but also successfully promoted a culture of continuous learning, literary appreciation, and environmental responsibility. The organizing team expresses heartfelt thanks to the Director of SVIMS, all participating faculty members, the NDLI Club, and the dedicated members of the Literary Club for their valuable contributions in making the event a resounding success.

Expert Session on Indian Knowledge Systems : Bridging Tradition and Modernity

In its ongoing commitment to holistic academic development, the Internal Quality Assurance Cell (IQAC) of Shri Vaishnav Institute of Management & Science organized a thought-provoking expert session titled "Exploring Indian Knowledge Systems" on March 15, 2025, at the institute auditorium.

The session was graced by the presence of Dr. P. N. Mishra, Senior Professor at DAVV Indore, a respected scholar in the realm of Indian Knowledge Systems and cultural philosophy. Speaking to a gathering of faculty and staff, Dr. Mishra offered deep insights into the

intellectual traditions and spiritual wisdom embedded in ancient Indian texts. With scholarly clarity and contextual relevance, he connected age-old teachings to contemporary themes in education, leadership, and institutional growth.

The objective of the session was to reintroduce the academic community to the often-underrepresented richness of traditional Indian thought, while encouraging its meaningful integration into present-day curricula, research, and pedagogical practices.

The expected outcomes centered around broadening intellectual horizons, fostering interest in indigenous knowledge frameworks, encouraging value-based leadership models, and promoting holistic learning as a response to modern educational challenges.

The achieved outcomes were evident in the enthusiastic engagement of faculty members who resonated with the themes of ethical governance, rooted leadership, and the relevance of ancient wisdom in shaping future-ready institutions. The session sparked interdisciplinary reflection, inspired a culturally conscious academic mindset, and opened avenues for embedding Indian Knowledge Systems into institutional practices.

By curating such reflective and enriching academic experiences, SVIMS once again demonstrated its resolve to cultivate educators and leaders who are both globally competent and deeply grounded in India's enduring intellectual legacy.

आरोहण

Progressing Towards Professionalism

The Department of Management (UG) successfully organized AAROHAN: Progressing towards Professionalism and Internship Drive, from April 2-8, 2025 a comprehensive one week workshop designed to prepare students for the evolving demands of the corporate world. The inaugural session has been graced by Ms. Annie Bhatia discussed 'Professional Skills and the Importance of Internships,' highlighting how students can connect with HR professionals and explore career opportunities. She also emphasized key skills for professional growth. Mr. Nilesh Kumawat from Milaap Weddings shared how internships shaped his career, stressing the value of real-world experience, networking, and choosing the right internship. The sessions offered valuable insights into career development and the role of internships in shaping professional paths. The workshop is strategically structured into three impactful phases. In Phase I, titled Employability Enhancement Program, was conducted for BBA II Year students with the objective of imparting essential knowledge about professionalism,

workplace etiquette, and core competencies required in today's competitive job market. The sessions aimed to bridge the existing gap between academic learning and industry expectations through interactive training modules, expert talks, and practical exposure. The upcoming Phase II will focus on the Internship Drive, offering students a platform to connect with reputed organizations for real-world industry experience. This will be followed by Phase III — an Internship Presentation Competition, where students will present their learnings and achievements from the internships in a structured and professional manner. Phases II and III are scheduled to be conducted after the commencement of the next academic session. The initiative reflects the department's commitment to holistic student development and fostering a culture of experiential learning and professional readiness. The workshop was coordinated by Dr. Soniya Shah, Mr. Devendra Jain, Mr. Arun Saxena and Ms. Sameeksha Sharma.

अन्वेषण

Unleash Your Future

The Department of Management (UG) at Shri Vaishnav Institute of Management & Science successfully conducted 'Anveshan' a six-day Orientation Program from April 9- April 17, 2025. The workshop was meticulously designed for first-year BBA students to assist them in choosing the right specialization—Marketing, Finance, or Human Resource Management. The workshop offered a comprehensive blend of academic insights and industry exposure through

sessions led by distinguished industry professionals and experienced in-house faculty members. With dynamic presentations, real-world case studies, and interactive discussions, students explored the practical relevance of each domain and understood the current trends shaping the business world. The program aimed to bridge the gap between theoretical knowledge and professional application, empowering students with the clarity and confidence needed to make informed decisions about their future academic and career paths. The day first and second of the workshop was conducted by CA. Alok Jain , Founder at B.M Jain & Co. and Mr. Gopal Verma Zonal Head at MPCG on Finance. The day third and fourth of the workshop was conducted by Pragyesh Soni, Team Leader at Reckitt Beneckisen on Marketing. The day fifth and sixth day of the workshop was conducted by Vishal Agrawal, Managing Director at Job Mitra on HR. By the end of the workshop, participants not only gained in-depth knowledge of each specialization but also discovered their own areas of interest, strengths, and aspirations. The engaging format, coupled with critical thinking exercises and expert guidance, ensured active participation and meaningful learning. Anveshan concluded on a high note, igniting curiosity and motivation among students to delve deeper into their chosen domains, thus laying a strong foundation for their management journey ahead. The workshop was well executed by Dr. Garima Dubey, Dr. Mohini Thattey, Ms. Geeta Yadav.

Export-Import Workshop

The Department of Management (UG) organized the 2 weeks Export-Import Certification Program, for BBA FT students to bridge the gap between academic learning and real-world application, offering students hands-on experience, expert insights and an in-depth understanding of global trade practices which was conducted under the MoU with Global Trade House, Indore.

This workshop was organised in 3 phases from April 1, 2025 to April 16, 2025. In Phase I – Workshop from April 1-14, 2025 which was organized where the students learnt about the importance of experiential learning in business education but also sets a benchmark for future initiatives aimed at enhancing students global business acumen. The Resource person of the workshop was Mr. Rajneesh Sharma, Founder and Director of Global trade house. In Phase II – Assessment, which was conducted

by Ms. Shalini Sharma, Director at Global Trade House in computer lab where students have been evaluated as per their understanding of the workshop content and their ability to apply the knowledge. In Phase III – Felicitation, the Chief Guest was Mr. Shreyas Sharma, Export Manager, Akash global foods and the Guest of honour were Mr. Rajneesh Sharma and Ms. Shalini Sharma, Directors of Global trade house. 52 Students were felicitated. The star performers were Mr. Abbas Rampurwala, Ms. Mahak Kashav and Ms. Shloka Katariya from BBA (FT) I year; Mr. Arvind Jha, Mr. Aditya Kathal and Mr. Sajal Parmar from BBA (FT) II year; Mr. Tanish Kanoja and Mr. Yug Upmanyu from BBA I Year. The students volunteers were Mr. Arvind Jha and Ms. Precious Patidar. The event was well coordinated by event coordinators Ms. Pankhuri Soni and Ms. Neha Gyakwad.

Elevating Research Excellence

The Department of Management (PG) organized one week Faculty Development Program on “Elevating Research Excellence: Mastering Paper Writing and Publication” from March 10-17, 2025 in hybrid mode

for the faculty members and researchers. The FDP aimed to foster a culture of high-quality research among participants through a deeper understanding of the publication process and enhancing research skills and understanding research design and methodology, the FDP attracted 117 participants (64 online, 53 offline) from across India. The program was inaugurated by Dr. Rajneesh Jain, Professor at IMS and Former UGC Chairman, who also conducted the first session on research fundamentals. The following sessions conducted by esteemed experts like Dr. Santosh Dhar, focused on literature review and plagiarism avoidance; Dr. Ajit Upadhyay, discussed measurement scales; and Dr. Vivek Sharma, provided insights into research design, statistical tools, and SPSS training. The concluding session was taken by Dr. Upinder Dhar, Vice Chancellor of Shri Vaishnav Vidyapith Vishwavidhyalaya, focused on quality research and cautioned against predatory publishing. The six days FDP was followed by Valedictory and the participants were felicitated; Dr. Mandip Gill, Head Department of Management (PG) presented the report of FDP and also presented vote of thanks. She also appreciated the coordinators of the FDP Dr. Sapna Parihar and Ms. Swati Gupta. The FDP was proven to be a valuable platform for building research capabilities among academicians.

Mushroom Cultivation & Entrepreneur Development

The Department of Computer Science and Bioscience organized a workshop on Mushroom Cultivation and Entrepreneurial Development in collaboration with Gopispore Innovative LLP, held from May 13-14, 2025. The workshop was designed for Bioscience student of B.Sc I year Biotechnology, Microbiology, and Bioinformatics students gained valuable insights into emerging opportunities and entrepreneurship. The two-days workshop was conducted by Mr. Lokesh Sahu, owner of Gopispore Innovative LLP, he guided the students and provided an enriching learning experience

which focused on sustainable mushroom cultivation and entrepreneurial skill development, incorporating advanced hands-on learning. Through this workshop students learnt the Preparation of substrate Oyster mushroom, Fomalin: Spraying for sterilization, Polybag, Spawn, Preparation of cropping room and Post Harvest Management of mushroom where students gained practical and Self-employment skills, Entrepreneurial awareness through understanding of mushroom biology. The workshop was coordinated by Dr. Dipanti Chourasiya and Dr. Sonika Kag.

Java Programming

To strengthen core programming skills and enhance industry readiness among students, Shri Vaishnav Institute of Management and Science organized a 6-day intensive Java Workshop in collaboration with Gen Excellence.

The workshop was conducted under the expert guidance of Mr. Dinesh Sharma, from Gen Excellence, and Mr. Kunal Malviya, Technical Head, who together brought a wealth of real-world experience and in-depth technical knowledge to the classroom.

Spanning across six days, the workshop focused on fundamental to advanced Java concepts, including object-oriented programming, exception handling, collections framework, JDBC connectivity, and mini-project development. With a strong emphasis on hands-on practice, the sessions were designed to help students move beyond theoretical understanding and gain practical coding skills applicable in software development roles.

The objective of the workshop was to equip students with a working knowledge of Java programming, enhance logical problem-solving abilities, and familiarize them with real-time coding environments. The expected outcomes included improved programming proficiency, greater confidence in developing Java-based applications, and readiness for technical interviews and internships.

The achieved outcomes were visible in students' active participation, increased conceptual clarity, and the successful completion of small projects by the end of the training. The interaction with industry professionals also offered valuable exposure to current trends, tools, and expectations in the software industry.

This Java workshop served as a significant step in nurturing technically skilled graduates and reaffirmed the institute's commitment to offering skill-based, industry-aligned education.

Health Checkup

Shri Vaishnav Institute of Management & Science organized Health Checkup on March 29, 2025. A dedicated gynaecologist consultation session was organized, featuring Dr. Karuna Jain, a renowned expert in women's health. The session focused on one-on-one consultations where women were given the opportunity to discuss a wide range of health concerns in a confidential and supportive environment. Key areas addressed included menstrual irregularities, hormonal imbalances, fertility issues, and menopause-related challenges, with each consultation tailored to the individual's medical history and personal health needs. Dr. Jain provided personalized guidance, emphasizing the importance of regular health check-ups, balanced nutrition, stress management, and healthy lifestyle practices. Around She also recommended follow-up

appointments for more in-depth evaluation where needed. The visit proved to be highly beneficial, significantly raising awareness about critical aspects of women's health and offering practical, actionable insights for improved health and well-being. This initiative was well-received by the participants and highlighted the importance of proactive healthcare for women at every stage of life. It was well coordinated by Women Cell of the institute.

International Yoga Day

On 21st June 2025, Shri Vaishnav Institute of Management and Science celebrated International Yoga Day with great enthusiasm and spirit. The session witnessed active participation from 60 students and 36 faculty members, along with the presence of 2 special guests who graced the occasion with their valuable presence. The event aimed to promote physical and mental well-being through the practice of yoga. The session included a wide range of asanas such as standing asanas, seated asanas, and lying-down asanas. Participants also engaged in various pranayama techniques including Kapalbhati, Anulom Vilom, and Bhramari, along with Yogic Kriya, all of which contributed to a holistic experience. The session not only fostered awareness about the importance of a healthy lifestyle but also emphasized the ancient Indian tradition of yoga as a path to inner peace and balance.

Self Defence Workshop

On the momentous occasion of the 300th Birth Anniversary of Maa Ahilya Bai Holkar, Women Empowerment Cell of the institute organized a self-defence training program titled 'on May 30, 2025, at Vaishnav Khel Prashal with the aim of empowering girl students through physical, mental, and situational preparedness. The initiative, spearheaded by the Women Empowerment Cell (WEC) of the institute, sought to instill confidence, self-awareness, and essential self-defence techniques among young women, enabling them to make informed decisions and protect themselves in challenging situations. The event was graced by Dr. Mala Singh Thakur, PRO Management, AICTSL, Indore, who joined as the Special Guest, and lauded the initiative for its relevance and positive impact on women's safety. The training was conducted by Mr. Manush Arya, Director of World Gym & Fitness Centre, Indore, who professionally trained the participants in practical, real-world self-defence techniques and awareness strategies. More than 80 enthusiastic girl students from undergraduate and postgraduate programs participated actively in the session, gaining valuable skills and confidence to respond effectively in potentially threatening circumstances. The outcome of the workshop was clearly visible as students expressed enhanced self-confidence, physical readiness, and a greater sense of personal security. 'Urjita' proved to be a powerful and transformative initiative, reinforcing the institute's commitment to promoting safety, strength, and self-reliance among its female students.

Campus Placement

Congratulations !!
