## THE PRIDE OF NATION

Indore, the financial capital of the state of Madhya Pradesh, is among 100 Indian cities to be developed as a smart city. Indore is ranked as India's cleanest city for seven years in a row as per Swachh Bharat Sarvekshan for the years 2017, 2018, 2019, 2020, 2021, 2022 and 2023. The past and present of this city are woven with a great grandeur. In 1720s the Holkars took control of Indore state when Malhar Rao Holkar established the dynasty to rule over Indore. Since then Indore witnessed great leadership with Holkar Dynasty. Indore is the commercial capital of Central India with Large, Medium and Small scale industries ranging from Automobiles to Pharmaceutical and from Petroleum Refineries to Textile. Major industrial areas surrounding the city include Pithampur known as Detroit of MP, Sanwer Industrial Belt, Laxmibai Nagar, ITPark, Electronic Complex etc. The city is honored of having third oldest stock exchange in Central India. National Stock Exchange has now established an Investor Service centre in the city. The city also hosted Global Investors' Summit to provide a platform to collaborate with investors from several countries. Companies such as TCS, Infosys etc. officially started their development centers in Indore. The city is the heart for all sorts of health care institutions and education sectors of the country. Indore is the only city in India to house both, Indian Institute of Technology and Indian Institute of Management. Being one of the growing centers of the country, Indore has a well laid transport network enabling people to travel within the city and outside with great ease. International airport connected Indore with the corners of the world. Indore has also been crowned as the 'Street Food capital' of the country. The delicacies of local snacks as well as sweets of Indore are famous all over the country. MHOW located near Indore, is amongst the major Military Headquarters of India to control important aspects of Training and Controls of Indian Army. India's most important Atomic Research Centre, Raja Raman Centre for Advanced Technology (RRCAT), a unit of Department of Atomic Energy, Government of India, is situated in Indore. Asia's Biggest Metal Statue of Hanumanji is located at Pitra Parvat, Indore.

### Key Attractions

- Award Winner of No-1 Cleanest City of India for seven consecutive years.
- One of the first 20 cities taken up to develop as Smart City in first round.
- Indore has been a birthplace of many Silver Screen and Sports Stars : The Night angle of Bollywood Legendry Lata Mangeshkar, Saleem Khan of Shoaly fame, Great Comedian Johny Walker, Cricketer Mushtaque Ali, The Great Indian Cricket Wall- Rahul Dravid, etc.
- Having Asia's Biggest Statue of Lord Ganesha-Bada Ganapati Temple.

## From The Desk of Chairman Shri Vaishnav Group of Trusts

*"We want the education by which character is formed, strength of mind is increased the intellect is expanded, and by which one can stand on one's own feet."*

— **Swami Vivekananda**

Education is considered the most powerful instrument of social change. It is through education that the society can bring desirable changes and modernize itself. In our attempt to be the best and preferred source of learning, we focus on multidisciplinary approach in education. Multidisciplinary education prepares students to develop deeper skills and approach problems with broader perspectives. With the help of such education, communities can be developed and achieve excellence. A salubrious campus with the latest technologies, best services, expertise of academic and industry professionals define the contours of the most preferred institute.

Shri Vaishnav Institute of Management & Sciences scaled as the frontiers in the profession of higher education. An intense span of more than three decades of teaching and learning has inspired us to the understanding that, to bring out the best, one needs to provide the best – the best as expected, in the society from such a reputed institute that triggers excellence; physically, mentally and intellectually among the students.

The institute welcomes and wishes every success of all the students in their journey of learning and excellence. The institute will provide a platform where intellectual capabilities, innovative and entrepreneurial skills of students will flourish to have plenty of opportunities to grow.

गुरुदत्तपुत्र  
*Purushottamdas Pasari*

## From The Desk of Chairman

*"Excellence is a continuous process and not an accident."*

— **APJ Abdul Kalam**

Excellence is the new Mantra which will guide us to greater success. It is well known that without constant efforts excellence cannot be achieved. Shri Vaishnav Institute of Management & Science strongly believe in quality education and always ready to serve the society by creating future managers, technocrats & researchers. We believe in quality education where students achieve the excellence through hard work, motivation and consistent perspiration.

Excellence is achieved through education and it is the power of education which helps us to achieve our goals. It is the power by which we can enhance our inner strength, abilities and can show others what exactly we are. With the help of education we can achieve excellence through different roles in society and can create advanced culture and build a healthy society.

I invite you to join in the exciting journey of excellence with Shri Vaishnav Institute of Management & Science and my best wishes to all the students who are on the threshold waiting to enter into the ocean of education.

*Devendra Kumar Muchhal*

## From The Desk of SECRETARY

*"The highest education is that which does not merely give us information  
but that makes our life in harmony with all existence."*

— **Rabindranath Tagore**

The prestigious, Shri Vaishnav Institute of Management and Sciences, Indore (SVIMS), since its inception in 1987 has made remarkable progress by following the mantra of student centric approach, in all aspects of students' development & growth. Our priority is to empower students with critical thinking skills thus instilling in them the ability to reach at sound conclusions based on observation and information. Carrying forward our rich legacy, our institution has marched forward to spread the light of education and pave the path of academic excellence for every student.

The institute possess a state of art infrastructure with well equipped laboratories, career counselling, personality development sessions, job oriented courses, rich library and highly qualified faculty. We, at SVIMS introduce our students to the Outcome Based Education and trained with skills in various disciplines. In addition to developing excellent scientific and managerial skills, the students are motivated not only to dream big but also encouraged to think unconventionally to face the challenges of the future and provide platform for Entrepreneurial skills. It has been our constant endeavor to instill the ethical values in our students hereby making them socially responsible citizens.

The institution has stood for quality and excellence which is reflected with the accreditation with 'A' grade by National Assessment & Accreditation Council (NAAC) in consecutive three cycles.

I take this opportunity to express that we continue to put every effort to improve the existing best services to bring out the best for the welfare and growth of our students.

I welcome students to be part of SVIMS family to enrich their educational experience. I am confident that the Institute will continue to rise to challenges ahead and nurture talents in all possible ways.

  
**Vishnu Pasari**

## From The Desk of DIRECTOR

*"The end-product of education should be a free creative man,  
who can battle against historical circumstances and adversities of nature."*

— **Dr. Sarvepalli Radhakrishnan**

Welcome to Shri Vaishnav Institute of Management and Science (SVIMS), where every student is valued, empowered, and inspired to reach new heights of success. As the Director, it is my privilege to extend a heartfelt greeting to each of you as you embark on this remarkable journey of learning and discovery.

We firmly believe in the transformative power of education to shape minds, ignite passions, and drive positive change in society. SVIMS is dedicated to provide students with the tools, resources, and opportunities they need to unleash their potential and make a lasting impact on the world around them. From accessible campus infrastructure to adaptive technology, Institute is committed to remove barriers and to create a nourishing platform for all students. A dedicated team of faculty and staff are here to support students at every step of the way, providing guidance, encouragement, and mentorship to help them reach their full potential.

As you navigate your academic pursuits, remember that the only source of knowledge is experience. Embrace every opportunity to learn, grow, and expand your horizons.

May your time here be filled with unforgettable experiences, meaningful connections, and boundless opportunities for growth. Together, let us embark on a journey of exploration, discovery, and transformation to create a brighter future.

*Dr. George Thomas*

# Alumni-Our Core Strength

Alumni Networks are an important platform for networking, social as well as professional, worldwide. Nurturing and fostering relations with alumni of the institute is at the core of our existence as a Center of academic excellence. The alumni of the Institute have conquered the varied spheres of challenges and reaching at the top positions in multiple dimensions, academics, research, industry, entrepreneurship or management. As a part of our endeavour to have greater Alumni involvement in the Institutional activities and to strengthen the existing threads and weave many a new, institute organizes Alumni meet “Confluence” every year to keep in close contact with, and continuing to recognize alumni for their excellence. This forum is a platform for showcasing the alumni as a role model and ambassador to our existing students. The institute strongly considers Alumni as its ‘Biggest Asset’ and feels proud of having them as core strength.

## समावेश

Sharing Wisdom for Nurturing Values and Skills

A Series of Sessions with Alumni

Alumni have a wealth of experience and skills by working for years in different sectors. They can inspire students to pursue their interests, seek out placements, and help launch their career. With the objective to share wisdom for nurturing values and skills among the students through alumni, ‘SAMAVESH- A Series of Online Sessions with Alumni’ are organized by the Alumni Committee.

## Alumni Speak

I am proud to be an alumnus of this college. And I have pleasantly surprised time again to be invited as a special guest and felicitated. I thank the faculty and management for laying a strong foundation and for making me what I am today.

**Mr. Sameer Sankpal**
