Reason for NAAC Appeal:

1. HEI has all 5 facilities as mentioned in the metric, which were demonstrated to the Peer Team Members during their visit. Also, HEI provided the bills and the geo-tagged photos of the installed facilities.
2. Due to large file size (having constraint of uploading 5 MB file), the HEI could not upload all the photos and bills.
3. HEI has all the claimed facilities installed in the premises. To substantiate the claim, the facility-wise geo-tagged photographs and bills are attached herewith.

In view of the above point, HEI feels that it deserves to be graded up for this metric to 4.
