## INDORE - THE PRIDE OF NATION

Indore, the financial capital of the state of Madhya Pradesh, is among 100 Indian cities to be developed as a smart city. Indore is ranked as India's cleanest city for five years in a row as per Swachchh Bharat Sarvekshan for the consecutive years 2017, 2018, 2019, 2020 and 2021. The past and present of this city are woven with a great grandeur. In 1720s the Holkars took control of Indore state when Malhar Rao Holkar established the dynasty to rule over Indore. Since then Indore witnessed great leadership with Holkar Dynasty. Indore is the commercial capital of Central India with Large, Medium and Small scale industries ranging from Automobiles to Pharmaceutical and from Petroleum Refineries to Textile. Major industrial areas surrounding the city include Pithampur known as Detroit of MP, Sanwer Industrial Belt, Laxmibai Nagar, IT Park, Electronic Complex etc. The city is honored of having third oldest stock exchange in Central India. National Stock Exchange has now established an Investor Service centers in the city. The city also hosted Global Investors' Summit to provide a platform to collaborate with investors from several countries. Companies such as TCS, INFOSYS etc. officially started their development centers in Indore. The city is the heart for all sorts of health care institutions and education sectors of the country. Indore is the only city in India to house both, Indian Institute of Technology and Indian Institute of Management.

Indore is also a tourist destination due to which the city has proper transport channels enabling people to travel within and outside the city. For the convenience of the visitors there are regular services of bus, train and flights. Indore has a well laid transport network enabling people to travel within the city. Indore is served by the Devi Ahilyabai Holkar International Airport which is about 8 km from the city and has a direct connectivity to major cities of India. Regular and direct train services connect Indore to most parts of the country. It is fairly well connected to different parts of Madhya Pradesh as well as India.

### **Key Attractions :**

- Award Winner of 'No-1 Cleanest City of India & for five consecutive years.
- One of the first 20 cities taken up to develop as Smart City in first round.
- Indore has been a birthplace of many Silver Screen and Sports Stars : The Night angle of Bollywood Legendry Lata Mangeshkar, Saleem Khan of & Shoaly & fame, Great Comedian Johny Walker, Cricketer Mushtaque Ali, The Great Indian Cricket Wall- Rahul Dravid, etc.

## About the AICTE

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. The AICTE Act was then constituted with a view to proper planning and coordinated development of a technical education system throughout the country, the promotion of qualitative improvements of such education in relation to planned quantitative growth, and regulation & proper maintenance of norms and standards in the technical education system and for the matters connected therewith. The purview of AICTE (the Council) covers programmes of technical education including training and research in Engineering, Technology, Architecture, Town Planning, Management, Pharmacy, Applied Arts and Crafts, Hotel Management and Catering Technology etc. at different levels.

To ensure the promotion of technical education, as stipulated in the National Policy of Education (1986), AICTE was vested with:

- Statutory authority for planning, formulation, and maintenance of norms & standards
- Quality assurance through accreditation
- Funding in priority areas, monitoring, and evaluation
- Maintaining parity of certification & awards
- The management of technical education in the country

## About Indo-European Education Foundation

**Indo-European Education Foundation (IEEF) is an exclusive NGO and Research Center located in the heart of Europe in the Capital City of Poland - Warsaw.**

Awarded as one of the best research centres in Central-Eastern Europe, and received “**Global Achievers Award 2020-21**” for 'Excellence in Education' in recognition of 'outstanding professional achievement & Contribution in Nation Building 'by Indian Achievers 'Forum, New Delhi, India. Presented by H. E. Mr. Tsewang Namgyal, Ambassador, Embassy of India in Warsaw, Poland (April 2021). And “**The 2021 Global Choice Awards**” for 'Outstanding & Remarkable Contribution to Global Education 'by Xel Research, New Delhi, India (August 2021).

The Foundation is acting under the Ministry of Higher Education, Government of Poland and the European Union (EU) regulations. Foundation has its own branches located at different locations including in Poland at the University of Applied Sciences in Nysa (<http://www.pwsz.nysa.pl/index.php?p=33>); and as Indo-European Center at Ternopil Ivan Pulu National Technical University (TNTU), Ternopil, Ukraine (<https://iec.tntu.edu.ua>).

IEEF provides a unique platform for students, scholars and business elites based on the Academia-Industry Interlinked Model of Business Cooperation. Our launched programs are aimed to support the projects related with 'internationalisation of higher education 'and trade development by bridging the gap between Academia and Industries left for Poland, India and the European Union.

We believe that all new ideas created with a specific vision can be helpful for an individual and society at large. Therefore we invite you to share ideas, create new projects and develop new partnerships in the interest of individuals, institutions as well as countries...

# International Web Conference 2022

**Theme : Global Emerging Trends in Online Teaching - Learning: Challenges and Opportunities**

## Introduction

*In current educational scenario, online teaching – learning has become vital and is emerging as global pedagogy of modern education system. Due to pandemic, online teaching – learning in virtual mode has grown fast and gained overwhelming response especially in education sector. Observing a lot of advantages, adopting online teaching learning has become the priority of all the educational institutions to fulfill the objectives of imparting education interruptedly to all its beneficiaries. However it embraces many challenges that remained to be resolved including high dropout ratio, student assessment, monotony, network issues, remote area connectivity, limited interaction etc. Moreover, the pandemic posed psychological impact on teacher, parents, and most importantly on students. The scope and pace of online teaching – learning has widened up as the statutory or governing bodies have also emphasized it in their respective governance policies. In light of the above aspects, the institute is organizing an International Web Conference to discuss global emerging trends in online teaching – learning. Through this, various experts from corporate and academic fraternity together to share their experiences & expertise with the faculty, research scholar and students towards meaningful assessment of post pandemic paradigm shift and contribute towards the intellectual wealth of the nation.*

## Objectives

The aim of the conference is to build a network and enhance collaboration by providing an ideal platform for policy makers, educationists, practitioners, researchers, industrial planners to throw light on the new perspective of virtual mode of teaching - learning developed in higher education globally. Specifically, the objectives of the conference are:

- *To address new challenges of online-teaching learning in post - pandemic scenario.*
- *To highlight various emerging global trends of online teaching in higher education.*
- *To discuss the challenges of online teaching – learning from the viewpoints of various stakeholders.*
- *To seek improvement in present processes of virtual mode.*
- *To discuss the challenges faced by higher education institutions while online teaching - learning.*
- *To discuss the psychological impact of online teaching – learning on various stakeholders and to find the solutions to provide ease of knowledge sharing in virtual mode.*

## Outcomes

- *Improved practical approach towards implementation of innovative teaching pedagogies and technologies for effective online teaching learning.*
- *Effective curriculum development strategies will be discussed and suggested for improvements in Higher Education and research to satisfy the need of society.*
- *Multiple initiatives and effective actions can be discussed for the successful implementation of online teaching - learning in the Global Scenario.*
- *Approaches may be proposed for setting up well equipped infrastructure for online teaching learning.*
- *Qualitative discussion on changing role of stakeholders for adapting effective online -teaching learning in new normal effectively.*
- *Balanced approaches may be proposed for psychological impact of teaching – learning on stakeholders.*

# International Web Conference 2022

## Benefits

- *New dimensions of online teaching learning may be evolved to help and trace the progress of students, researchers and academicians.*
- *The faculty members can introduce new methods to make learning enjoyable for students with the help of digital tools.*
- *The conference will provide an opportunity to policy makers, academicians, industry experts and researcher to share their views and perspectives about emerging trends in online teaching learning.*
- *An opportunity will be created for networking among the academicians and the industry professionals for enhancing ideas and experiences for future scope of development.*

## Call for Papers
