## Introduction

The New Education Policy (NEP) 2020 envisages a contemporary education system that foresees to contribute directly in transforming our nation into an equitable and vibrant knowledge society, by providing high quality education to all. This policy envisions to create, transmit, use and disseminate knowledge as a part of the continuum. The NEP is ambitious and futuristic but much of its success will depend on how it is implemented. There is a need to explore challenges and opportunities in the implementation of NEP amongst academicians, students, officials, and other stakeholders in the higher education system so that they can together help India in becoming a knowledge super power. To enhance the moral, ethics, and quality of education academicians may become leaders to provide constant guidance to academic fraternity and inspire them to join hands for making this NEP a grand success. To be in sync with the UGC quality mandate power, the institute is organizing an Online Conference for exploring challenges and opportunities of New Education Policy 2020. This Conference holds the vision of engaging academic fraternity and corporate experts in meaningful assignment which will contribute towards the intellectual wealth of the nation.

## Objectives

The main purpose of the conference is to build a network and enhance collaboration by providing an ideal platform for policy makers, educationists, practitioners, researchers, industrial planners to throw light on the reforms introduced in New Education Policy 2020. Specifically, the objectives of the conference are:

- To discuss the effective role of multiple education bodies at both central and state level for implementation of NEP 2020.
- To explore opportunities for implementing NEP to fulfill its stated objectives in different avenues.
- To discuss the possible challenges and appropriate actions in the implementation of the NEP 2020.
- To identify the beneficiaries and ignored areas in NEP 2020.

## Outcomes

- Multiple initiatives and effective actions can be discussed for the successful implementation of NEP 2020.
- The role of various stakeholders may be conferred for the impactful execution of NEP, 2020.
- Innovative ideas may be discovered in relation to NEP for covering every aspect of education ranging from elementary to higher learning and research.
- Approaches may be proposed for setting up of well equipped education infrastructure towards implementation of NEP 2020.
