INDORE – THE PRIDE OF NATION

Indore, the financial hub of Madhya Pradesh, is one of India's 100 cities chosen for smart city development. This vibrant city has consistently been recognized as India's cleanest city, winning the title for seven consecutive years.

Indore's rich history dates back to the 1720s when the Holkars established their dynasty, bringing great leadership and grandeur to the city. Today, Indore is Central India's commercial capital, boasting large, medium, and small-scale industries in sectors like automobiles, pharmaceuticals, petroleum refineries, and textiles.

The city is home to several major industrial areas, including Pithampur, Sanwer Industrial Belt, and the IT Park. Indore also proudly hosts the third-oldest stock exchange in Central India and has been chosen as a hub for companies like TCS and Infosys.

As a hub for education and healthcare, Indore is uniquely home to both the Indian Institute of Technology (IIT) and the Indian Institute of Management (IIM). The city's well-developed transportation network and international airport connect it to the world.

Indore has also earned the title of 'Street Food Capital' of India, with its local delicacies and sweets famous across the country. The city's proximity to MHOW, a major military headquarters, and the Raja Ramanna Centre for Advanced Technology (RRCAT), a premier atomic research centre, adds to its strategic importance.

Lastly, Indore is also home to Asia's largest metal statue of Hanumanji, located at Pitrashwar Parvat.

About The Institute

Shri Vaishnav Institute of Management & Science has glorious history since 1987. It was established as one of the constituent units of Shri Vaishnav Shaikshanik Avam Parmarthik Nyas, Indore. The Nyas has established Shri Vaishnav Shikshan Samiti and under its aegis Shri Vaishnav Institute of Management & Science is progressively leading towards success. It has conferred with the award of being the oldest Self Finance Institute of M.P. by CMAI, Asia. The institute is approved by Govt. of Madhya Pradesh as an 'A' Category Institute.

The Institute proudly announces the UGC-NAAC Accreditation with 'A' Grade in three consecutive cycles in 2012, 2017 and 2024 respectively indicating its highest commitment of quality in all aspects. During past 38 years journey, it has been serving the society by providing excellent environment for education in area of Management, Computer Science and

Bioscience.

We strive to ensure that our students develop the right skills required to sustain and grow in this scenario of global competition. At the same time, we also take efforts in preparing the students for future by cultivating a winning spirit, which help them to participate on all platforms. With a lush green campus spread over an area of seven acres located in the heart of the Indore city, the institute is well connected through all means of transport.

The Institute offers Management, Computer Science and Bioscience programs at Under Graduate and Post Graduate Levels. The Institute is approved by AICTE, New Delhi and affiliated to Devi Ahilya Vishwavidyalaya, Indore & Rajiv Gandhi Proudhyogiki Vishwavidyalaya, Bhopal. Also, it is a recognized research centre of Devi Ahilya Vishwavidyalaya, Indore for Doctoral Degree in Management.

Vision

To be the center of excellence in multidisciplinary education by instilling lifelong learning and skill development, by transforming individuals to be globally competent, and to be ethically and socially responsible professionals.

Mission

- To impart quality education with endeavours and initiatives that will lead to the advancement of knowledge and a sustainable career.
- To strive and remain committed towards the holistic development of students, and to make them employable in order to serve the corporate and the society as a whole with utmost dedication and professionalism.
- To maintain excellent standards of pedagogy by inculcating adaptability and flexibility in students with firm emphasis on experiential and process oriented learning to develop global competency.
- To develop students with entrepreneurial orientation while nurturing strong moral and ethical values.
